Chapter 14, Prohibited Interference With Sewage Works

Adopted August 18, 1982

14.01

No person shall deposit or throw into or onto any sewer, sewer inlet, sewer outlet, sewer manhole, or any part of any creek, channel or other watercourse, material of any kind whatsoever except those materials for which the structures were intended.

14.02

No person shall interfere with the free flow of water in any watercourse or with the free flow of sewage in any sewer.

14.03

No person shall enter into, onto, under or over any District property without first obtaining a written permit.

14.04

The accidental discharge of any prohibited liquid or solid material into any sewer, watercourse or natural outlet or to any place from which such material may find its way into a sewer, watercourse or natural outlet, shall be reported to the District by the person responsible for the discharge, or by the owner or occupant of the premises where the discharge occurs, promptly upon obtaining knowledge of the fact of such discharge.
